GENERAL INFORMATION

This form is to be used to remit quarterly tax sharing payments to the State pursuant to the terms of the Tax Agreement entered into by the State and the Tribe. This form should only be used by those Tribes who have chosen to enact their own tax in lieu of the State use tax.

A worksheet has been provided on Page 2 of this form to assist in the calculation of the tax sharing payment due. Submit a completed *Tribe Enacted Sales Tax Sharing Quarterly Return* (Form 4042) with the tax sharing payment determined due to the address as listed on the return. Pursuant to Section XII(D)(2)(b) of the Agreement, a schedule showing the breakdown of taxes paid to the Tribe by retailers should be attached.

Pursuant to the terms of the Agreement, the quarterly tax sharing payments are due within 45 days of the close of that quarter. Tax sharing payments made after the due date are subject to interest computed at the State of Michigan statutory rate of 1% above the prime rate, computed daily. Current interest rate information may be found by visiting the Treasury Web site at www.michigan.gov/treasury, within the Reference Library option, under Revenue Administrative Bulletins.
